Youth in Diplomacy

DPSTMUN 2025 is more than discussion—it is collaboration in action. Delegates confront global challenges with empathy, discipline, and vision. By listening before persuading and disagreeing with respect, we model the leadership the world needs. This is a space to practice service, fairness, and impactful diplomacy.

EDITORIAL

Distinguished Delegates, Esteemed Faculty, and Respected Guests,

It is with immense pride and gratitude that I present to you this year's edition of the DPST MUN brochure, a publication that reflects the spirit of diplomacy, dialogue, and discovery that defines Delhi Public School Tapi.

As Editor-in-Chief, I had the privilege of working alongside a dedicated team that poured heart and effort into curating these pages. This compendium is more than just a record of our conference—it is a celebration of the energy, ideas, and commitment that each delegate, organizer, and mentor has brought to DPST MUN.

Our vision was to create something lasting: a keepsake that captures the essence of debate, collaboration, and leadership, while also paying tribute to the behind-the-scenes efforts of the Secretariat, the Organizing Committee, and the various teams whose contributions made this event seamless.

To every delegate who joins us this year, I urge you to see this conference not only as a platform to voice your perspectives but also as a space to listen, engage, and grow. That is the true spirit of diplomacy—one that DPST MUN seeks to nurture.

On behalf of the Editorial Board, I extend my heartfelt gratitude to Delhi Public School Tapi for fostering an environment where such experiences can thrive. May this brochure serve as a reminder of the friendships made, the ideas exchanged, and the inspiration gained during this conference.

Thank you, and I wish you all an enlightening and memorable DPST MUN.

CREATIVE TEAM

“WHERE IDEAS MEET IMAGINATION.”

The Creative Team is the imagination hub of DPST MUN, and their work is what makes the conference come alive visually. From the very first poster that announces the event to the final designs that decorate our halls, they infuse creativity into every detail. Their responsibility goes beyond just making things look attractive—they create an atmosphere of vibrancy, elegance, and innovation that reflects the energy of the delegates themselves. Whether it is designing the brochure you hold, preparing visually engaging committee backdrops, or conceptualizing striking social media content, the Creative Team ensures that the artistry of Delhi Public School Tapi’s MUN is remembered long after the debates have ended. They prove that diplomacy is not just about words—it is also about the impact of visuals and the stories they tell.

LOGISTICS TEAM

“TURNING PLANS INTO FLAWLESS EXECUTION.”

The Logistics Team is the strength and backbone behind the scenes at DPST MUN. Their work begins long before the conference itself—with careful planning, scheduling, and organization—and continues tirelessly until the very end. From ensuring that committees are set up on time, to arranging placards, badges, and stationery, to making sure delegates and chairs have everything they need, their efforts weave the invisible thread that holds the entire event together. They are the team that ensures that no delegate feels lost, no committee feels unprepared, and no detail is overlooked. Often unnoticed in the rush of debates and discussions, their dedication guarantees that the entire MUN flows seamlessly and professionally. Without the Logistics Team of Delhi Public School Tapi, the grandeur of DPST MUN would not be possible.

TECH TEAM

“THE SILENT FORCE BEHIND EVERY SEAMLESS MOMENT.”

The Tech Team of DPST MUN, Delhi Public School Tapi, is more than just the technical backbone of the conference—they are the creators of its identity. From designing the elegant E-invites that first reached our delegates, to crafting this very brochure and handout, their work has shaped how the conference is experienced even before it begins. They bring together design, technology, and innovation to ensure that every digital and visual aspect of DPST MUN reflects professionalism and creativity.

Their efforts extend beyond the preparation stage—managing presentations, producing engaging reels for our platforms, and ensuring that every technological element of the event runs seamlessly. Whenever there is a challenge, they are the ones who step in with quick, effective solutions, often working silently in the background yet making the most visible difference.

The Tech Team of Delhi Public School Tapi embodies adaptability, creativity, and reliability. They prove that in today's world, technology is not just a tool for support—it is the very language through which innovation and communication flourish.

TRAINING TEAM

“SHAPING DELEGATES INTO DIPLOMATS.”

The Training Team is one of the most vital pillars of DPST MUN, nurturing the very heart of the conference—its delegates. They take young, enthusiastic students and guide them into becoming confident debaters, skilled diplomats, and thoughtful leaders. Through workshops, orientation sessions, practice debates, and mentorship, they equip participants with everything they need to succeed: from research skills and speech writing to lobbying techniques and diplomatic etiquette. Their work ensures that even first-time delegates enter the committee rooms with courage and clarity, ready to voice their perspectives. The Training Team of Delhi Public School Tapi believes that an MUN is not just an event, but an opportunity to grow, to learn, and to discover one's potential. Their patient guidance and unwavering support turn hesitation into confidence, and curiosity into leadership.

MESSAGES FROM THE SECRETARIAT

BEYOND THE PROTOCOL

Diplomacy is the art of building bridges where walls once stood. As the Secretary-General of our school's Model United Nations, it gives me immense joy to welcome you to this dynamic platform of dialogue, debate, and discovery. Model UN is more than just a simulation; it is a gateway into the world of international relations. Here, students step into the shoes of diplomats, represent nations, and engage in discussions on some of the most pressing global challenges—whether it is climate action, peace and security, or human rights.

But MUN is not only about solving global issues. It is also about shaping ourselves. Through this journey, you will strengthen your confidence, sharpen your ability to research and analyze, and learn to articulate your thoughts with clarity and conviction. Most importantly, you will experience the true spirit of collaboration—working across perspectives, respecting differences, and striving for solutions that serve the greater good. No matter your background—whether you are a first-time delegate or a seasoned debater—this platform has something for you. It is a place to experiment, to take risks, to grow as both a leader and a listener. As your Secretary-General, I feel privileged to guide you on this path. My vision is to help you unlock your potential, embrace diplomacy, and cultivate the courage to voice your ideas. Together, let us create an MUN that not only broadens our minds but also inspires us to act as responsible global citizens.

INSIDE THE HALL OF DIPLOMACY

UNITED NATIONS SECURITY COUNCIL (UNSC)

The UNSC is entrusted with the primary responsibility of maintaining international peace and security. It addresses threats to global stability, including armed conflicts, acts of aggression, terrorism, and breaches of international law. The council has the unique authority to impose sanctions, authorize peacekeeping missions, and mandate military action when necessary.

In this session, the committee will deliberate on urgent global crises, evaluate their implications for international peace, and formulate binding resolutions. Emphasis will be placed on fostering diplomatic negotiations, preventing the escalation of conflicts, and ensuring that peace is sustained through coordinated international action.

UNSC

UNITED NATIONS ENVIRONMENT PROGRAMME (UNEP)

The UNEP leads global efforts to address pressing environmental challenges and promote sustainable development. It works to protect ecosystems, combat climate change, manage natural resources responsibly, and ensure environmental resilience for future generations.

In this session, the committee will examine strategies to maximize the economic and environmental potential of renewable energy sources, particularly wind and solar power. Delegates will explore pathways for decarbonizing energy production, strengthening green technologies, and fostering international cooperation to achieve a sustainable, low-carbon future.

UNEP

UNITED NATIONS HUMAN RIGHTS COUNCIL (UNHRC)

The UNHRC is dedicated to the promotion and protection of human rights around the world. It addresses violations, promotes accountability, and works to uphold the principles enshrined in the Universal Declaration of Human Rights.

In this session, the committee will focus on combating human trafficking and its illicit global networks. Delegates will analyze the root causes, examine the economic and social factors driving demand, and propose effective measures to strengthen prevention, protection, and prosecution. The discussions will also explore how international cooperation can dismantle trafficking operations and safeguard the rights and dignity of all individuals.

UNHRC

DISARMAMENT AND INTERNATIONAL SECURITY COMMITTEE (DISEC)

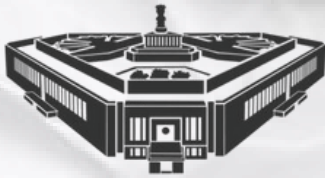

DISEC addresses matters of global security, disarmament, and the regulation of armaments to maintain international peace. It focuses on preventing the proliferation of weapons—both conventional and weapons of mass destruction—while promoting trust and cooperation among nations.

In this session, the committee will deliberate on measures to curb the illicit arms trade, strengthen arms control treaties, and enhance verification mechanisms. Delegates will explore diplomatic and multilateral solutions to reduce tensions, resolve disputes peacefully, and ensure that disarmament efforts contribute to lasting global stability.

DISEC

MODEL INDIAN PARLIAMENT (MIP)

The Model Indian Parliament simulates the legislative process of India's parliamentary system, providing delegates with a platform to debate and deliberate on pressing national issues. Participants take on the roles of Members of Parliament, engaging in discussions, drafting bills, and proposing policy reforms.

In this session, the house will focus on formulating solutions to contemporary social, economic, and political challenges facing the nation. Delegates will work within the framework of parliamentary procedure to negotiate, collaborate, and develop effective policies that reflect the democratic spirit and legislative traditions of India.

INAUGURAL CEREMONY

The Inaugural Ceremony of DPST MUN 2025 at Delhi Public School Tapi set the stage for an event of diplomacy and dialogue. Hosted by Ashwin Adarsh (IX-B) and Aarushi Patel (X-B), the ceremony began with Vidhya Deepam, symbolizing the pursuit of knowledge and enlightenment.

The Principal's Address inspired delegates to uphold cooperation, critical thinking, and global responsibility. The spirited Flag March celebrated unity and the nations represented, followed by the Welcome Dance and formal introduction of the Executive Board through Waving.

Concluding the ceremony, the Secretary-General's Speech motivated delegates to engage with confidence, respect, and diplomacy. Together, these moments marked not just an opening, but a promising beginning to DPST MUN 2025.

AGENDA: TARIFF, TENSION, AND TURMOIL — THE GLOBAL TRADE CRISIS

At DPST MUN 2025, delegates confronted the challenges of a world divided by tariffs, trade wars, and economic rivalries. This agenda invited participants to navigate the complexities of the global trade crisis, debate pressing issues, and work toward solutions that can turn tension and turmoil into cooperation and progress.

VALEDICTORY CEREMONY

As we draw the curtains on DPST MUN 2025, it fills us with pride to reflect on the remarkable journey of the past few days. What began as a platform for young minds to engage in diplomacy has grown into an inspiring experience of debate, dialogue, and collaboration.

In every committee, we witnessed delegates bring passion, intellect, and creativity to the table. The speeches, arguments, and negotiations were not just reflections of your assigned nations, but of the values of curiosity, empathy, and leadership that we at Delhi Public School Tapi strive to nurture.

This conference would not have been possible without the tireless efforts of our Secretariat, Organizing Committee, and dedicated teams—Creative, Tech, Logistics, and Training—whose commitment ensured the seamless success of this edition.

As we bid farewell, let us remember that this is not the end but a stepping stone. Carry forward the lessons learned here—the courage to speak, the wisdom to listen, and the belief in unity. The world awaits leaders who can rise above differences and work towards peace.
